### Experience some of the best fishing waters in the world

Norfolk Island is quickly becoming known as a "fishermen's dream destination". With a 50sq 50sq Norfolk Marine Park seclusion zone around the Island, no commercial fishing allowed and deep water right at our doorstep, Norfolk Island is an undiscovered game fishing paradise.

There are many varieties of bottom fish – locally known Trumpeter (sweet lip), Silver Trevally, Snapper, Kingfish, Groper (Barcod), as well as large pelagics – Wahoo, Mahi Mahi, Marlin and Yellowfin Tuna!

Conditions apply – Prices are indicative only, subject to availability & change without notice – Travel insurance strongly recommended

*"I've just returned from the best fishing trip of my life. Yes, that's how good our trip to Norfolk Island was.*

*Not only did we experience incredible fishing for a large range of different species, but we quickly fell in love with the laid back lifestyle on the Island and the wonderful people we met along the way."*

## Half Day Fishing Charters

Fish the surrounding reefs and catch a variety of reef and surface fish on one of our Half Day Fishing Charters. All bait and gear supplied or BYO favourite rig.

All half day tours are hosted by locals who live and breathe Norfolk waters. They will take you to all the best spots so you'll never come home without a catch. Of course being on a small island surrounded by ocean is great for fishing, but please remember getting out on the boat is weather dependent.

*While three days fishing is included in this package, we can book additional days you'd like while on-Island.*

*For your non-fishing partner, ask us for a Holiday Package price excluding the fishing trips. We can book other tours and activities to do while you fish!*
