CROCHET RETREAT ON NORFOLK ISLAND

Shelley Husband is a designer, author, and serious supporter of making crocheting easy and enjoyable. While Shelley learned crocheting as a child, it took her almost 40 years to crochet her next 'granny square' — and she hasn't stopped since.

From her first book, 'Granny Square Flair', winner of the UK's 'Best Crochet Book' in 2019, to a total of now ten books, an app, online group and regular workshops across the country, Shelley enjoys hooking the 'crochet curious' and giving her growing community more of what they want!

When Shelley's not running retreats and workshops, she's enjoying the land she loves and lives on in Gunditjmara Country (also known as Narrawong in Southwest Victoria). Old and new crocheters will fall in love with the way Shelley designs patterns to be practical and accessible, growing their confidence, one square at a time.

If you haven't joined her community already, you're most welcome to look her up on the socials @spincushions

LOTS TO EXPLORE ON NORFOLK ISLAND

Situated only two hours from Brisbane or Sydney, and mid-way between AU and NZ, Norfolk is packed full of things to see and do! Renowned for its majestic pines, high-rising cliffs and green valleys, visitors are simply astounded by the countless photographic opportunities waiting around every corner!

The UNESCO World Heritage listed Kingston Historic Area will take you into the island's turbulent convict past, today's vibrant 'Norf'k' culture (born out of the infamous 'Mutiny on the *Bounty*') and much more! All can be explored via the immersive tours, visual displays or even just by chatting with one of the friendly, local aficionados.

Walking trails and picnic spots abound through rainforest, fields and along cliff-tops – all with picture-perfect views! Local retreats offer numerous pampering treatments and our cafés and restaurants offer deliciously fresh and locally sourced meals. If you're looking for a memento, local arts/crafts, toys, clothes, shoes, cosmetics, home wares and other tax-free items are amongst shopping highlights.

This South Pacific gem is a safe bet to satisfy and inspire!
