### Norfolk Island

There are so many reasons to consider a holiday to Norfolk Island. Situated a short 2 hour flight from Brisbane or Sydney and mid-way between Australia and New Zealand.

The beauty of the Island astounds arriving visitors, providing countless photographic opportunities – tall, majestic pines, high rising cliffs, green, undulating valleys, lush rainforest and brilliant turquoise waters over coral reefs. Almost one third of the Island is devoted to National Parks & Reserves.

Many experience a feeling of 'coming home', perhaps to a way of life they knew from years ago, with a relaxed pace, a sense of quiet, genuine friendliness and attention to community and life's customs. At the same time this intriguing island has so much on offer that if you choose, you'll be very well entertained – and busy!

Tours and activities on offer include: 4WD tours, glass bottom boat trips, eco-tours, progressive dinners to Island homes, museum and heritage tours, sunset fish fries, bowls, golf, tennis, squash, yoga, fishing, sea kayaking, hiking trails, swimming, snorkelling, art trails, cottage industries & much more.
