## A WEEK OF GARDENS ON NORFOLK ISLAND

### What else in this world inspires tranquillity like a garden?

Join us in 2024 for **Norfolk Island Garden Week's** celebration of all things green and experience an immersion in natural pristine beauty.

There is a deep satisfaction that comes from seeing plants prosper and grow. Be part of this 'Gathering of Gardeners' – sharing their knowledge, challenges and successes and letting passions shine.

## TOURS / ACTIVITIES / OUTINGS AND MORE!

Two lovely dinners will book-end your week and you'll enjoy various tours including: visits to the personal gardens of three *Norfolk Island Garden Club* members, trips to the Island's most stunning public and commercial gardens and a guided rainforest walk through subtropical National Park – followed by the stunning views and delicious fare of a cliff-top BBQ breakfast!

*Norfolk Island's Royal Agricultural & Horticultural Show* is an annual spectacle not to be missed and always draws a huge turn-out of locals! Marvel at the Island's best show animals, displays, flower arrangements, produce as well as arts and crafts of all kinds. Ticket entry is included to this fun day.

## NORFOLK ISLAND – A PACIFIC PARADISE

**Only a 2 hour flight from Brisbane or Sydney, our little subtropical 'Eden' is packed full of beautiful sights and fun things to do!**

The biggest of a remote Pacific Island group, located midway between the AU and NZ mainlands, Norfolk's incredible array of unique flora and fauna has made it a 'must-see' destination for anyone interested in gardening and wild-life!

The Island is home to the ubiquitous and endemic Norfolk Pine (*Araucaria heterophylla*) as well as 51 endemic plants and 174 natives. The natural beauty on display at every turn astounds arriving visitors – providing countless photographic opportunities of green valleys, lush rainforest, sheer clifftops and turquoise water sparkling over coral reefs.

We can also tailor your holiday with additional tours and activities including: 4WD adventures, Glass-Bottom-Boat trips, progressive dinners to Islander homes, museums, heritage tours, sunset fish fry nights, bowls, golf, art trails and cottage industries.

*A gem of the South Pacific – guaranteed to satisfy and inspire.*
