ARCHERY 3D INTERNATIONAL SHOOT

We 'aim to please' on this exciting week on sensational Norfolk Island! Your non-shooting friends and family will also be spoilt for choice for things to do and see, while you are ranging our hills and valleys.

Join us for the Norfolk Island Archery Club's annual calendar highlight! Extensive planning goes into varying the three course layout from year to year, taking full advantage of the open rolling hills and tree clad slopes and valleys to set out shots for all ages and disciplines!

This challenging and fun-packed week brings together entrants from all over Australia, New Zealand (and further afield!) and features four separate shoots over three days. With lots of opportunities for socialising on and off the field with other archers and their friends and families, for many competitors this event is at the top of their list year on year!

2025 PROGRAM OF SHOOTING EVENTS:

Sunday 26th Official check-in & Fish Fry **Tuesday 28th** Comp round 2
Monday 27th Comp round 1 **Wednesday 29th**... Comp round 3 & 4

Your score will be your best 3 out of the four rounds of competition. Thursday is available for rescheduling due to inclement weather.

ARCHERY EVENT REGISTRATION

Please note the competition registration fee is additional to the holiday package prices. For further information and to return entry forms please contact Norfolk Island Archery Club: archerynorfolkisland@gmail.com

“What can I say about Norfolk? The whole place is breathtaking! The people that I met, both from the island and those in the tournament, were friendly and welcoming.

The tournament was well organized, the catering and off field activities were all well planned and executed, the field itself was (as I keep telling anyone who will stand still long enough) without doubt the finest 3D field I have shot ... This holiday/tournament/trip was the most enjoyable experience one could imagine. You can be sure I'll be back!” – G.McMahon Australia
