Norfolk Island – A Couple's Paradise

Spend your days lazing on the beach, with the feeling of having your own private oasis due to the lack of crowds. The local spa retreats provide the opportunity to pamper yourself with a massage or one of the many treatments on offer.

For the more active inclined, there are many different walks available, from romantic beach strolls to the many forest trails with picture-perfect views. The beauty of the Island astounds arriving visitors, providing countless photographic opportunities – tall majestic pines, high rising cliffs, green undulating valleys, lush rainforest and brilliant turquoise waters over coral reefs.

After a day of exploring the island, imagine yourselves at sunset sipping wine at one of Norfolk's many clifftop picnic areas. Dine at one of the numerous restaurants with sumptuous spreads catering to all dining preferences and dietary requirements – 'paddock to plate' is the norm on sustainable-minded Norfolk Island with much of the produce having been picked that day.

For those wanting to take their romance to the next stage, Norfolk Island is also a popular wedding destination, with local businesses working with couples to ensure that they start their new life together in style. Contact us if you would like more information about marrying on Norfolk Island.
