There's more to
NORFOLK ISLAND

GATHERING ON NORFOLK ISLAND

For us, travel is about more than taking a vacation. With over 300 clubs and thousands of members worldwide, Friendship Force International's mission is to connect people and promote global understanding across barriers.

Through home-hosting and meaningful travel experiences, participants learn about other cultures, develop a better understanding of our world, and discover our shared humanity.

There are 19 Friendship Force clubs across Australia. Every two years these clubs gather together to develop their understanding and further their experiences in each new location, in accordance with the Friendship Force organisation mission.

For the first time, a Friendship Force Gathering of Australian Clubs will be open to club members worldwide.

Members travelling from outside Australia need to make their own international arrangements to join flights to Norfolk Island departing from Brisbane or Sydney. We highly recommend you make the most of your holiday by adding on some extra time before or after the Gathering in one of these cities, or other Australian destinations.

If you're not able to book your own international flights on-line, talk to a local travel agent near you (note that return flights from Brisbane or Sydney to Norfolk are already included in Norfolk Island Travel Centre's Friendship Force Gathering Packages).

– *Adrian Brown, Australian Coordinator for FFI*
