# Travel with a group of friends any time of year...

Holiday Packages are available for Social golf any time of year and all Norfolk Island Golf Club tournaments and events

## Norfolk Island Golf Pro

Andrew has been a member of the Australian PGA for 17 years and the club professional at Norfolk Island for 9 years. He is a member of Performance Golf enabling him to keep up with the latest golf trends and provide quality golf equipment at competitive prices. Andrew uses the latest V1 software to help analyse golf swings of beginners through to top amateurs. Lessons are available by appointment.

## The Course and Club

Stunning views along with the remains of a rugged history will greet you at the Norfolk Island Golf Club. As a setting for golf it is unique. Located within historic Kingston, the oldest of eleven World Heritage listed Australian Convict Sites, the 1843 clubhouse and pro shop were built as the home for the Stipendiary Magistrate. Today the club welcomes you to enjoy the view over the course from the house's verandah!

Golf is meant to be fun – and this is the focus at the Norfolk Island Golf Club. Access to the club is so easy that both regular players and those simply inspired to have a go while on holiday will feel welcomed. Club professional Andrew Umlauf and his staff are keen to ensure that you'll enjoy your time whether you are having a holiday hit, playing in a social group or tournament, or getting some advice on your game.

*Let us know if you'd like to join us for 4 main tournaments in the year including Veterans Golf in February, The Castaway Bounty Open in June, Hardy's Wines Pro-Am in August and Governors Cup in November*
